Prokop Dombek

IT enthusiast
aspiring programmer

Profile

After putting my seafarering carrer (studying to be a navigational officer on an oceanic cargo ship) on hold, I have decided I would like to change my carrer path. After some time working in an advertisement company, I have decided to take on my IT path in life. That's what I am determined to pursuit, be it whichever IT branch of the humungous technology world.

Work Experience

Advertisement constructor

Jan 2020 - Oct 2022

Signum 1995

Constructing, designing all kinds of advertisement pieces, signes, items etc. Working on a computer with an CNC mill, designing, plotting and printing diverse advertisement items.

Ordinary seamen/ navigational officer cadet

Jan 2017 - Mar 2020

MST

Worked as a seamen, taking care of the shit, loading/unloading the cargo, maintenance of the ship, while learning to become a navigational officer: navigating, controling he ship, using the IT equipment of the bridge. The ship's language was always in english.
